5. (Internal Use Only - JGO) Received a call from Mr. Kirby Gean, Division of Intelligence, Atomic Energy Commission, who told me that during the visit of the Intelligence Subcommittee of House Armed Services Committee to AEC on Friday, Chairman Nedzi and Mr. Frank Slatinshek, of the Committee staff, requested a listing of the USIB Committees in which AEC participated. Mr. Gean wanted to insure that furnishing such a list to the Committee would not interfere with any bench marks established by the DCI in his dealings with the Committee. Messrs. Bronson Tweedy and [REDACTED] [REDACTED] NIPE, have been advised.

6. (Internal Use Only - JGO) Received a call from Mr. Charles Briggs, OPPB, who told me that a followon request has been received from STAT Mr. Eugene Wilhelm, House Appropriations Committee staff, for an [REDACTED]
the Committee.

7. (Confidential - JGO) Received a call from Mr. John Lehman, of the White House staff, concerning the status of the Agency report on S. Res. 192, a resolution "To create a Select Committee on the Coordination of the United States Activities Abroad to oversee activities of the Central Intelligence Agency." I told him our report, which was a strong objection to the resolution, was at the Office of Management and Budget. In response to his question I told him we had had the benefit of State Department's views at the time our report was forwarded. He did not appear to be interested in the detail of our report but only that it was a strong objection and had been forwarded to OMB.

8. (Unclassified - LLM) John Woods, in the office of Senator Joseph Montoya (D., N. Mex.), called on behalf of a former applicant and asked that the case be reactivated. As a matter of fact, [REDACTED] had made a STAT similar request to the Director of Personnel on 15 January and the case was reactivated. Woods was advised and he said nothing further was needed but, 25X1 would appreciate a notation in the file of Senator Montoya's interest.

9. (Confidential - JMM) Richard Cook, White House staff, called to say Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, had called to say that Representative Lucien Nedzi, Chairman of the Intelligence Subcommittee, wanted somebody from the White House to come over and brief him on the intelligence community reorganization. After consulting the Director, I called Cook back to say the Director had already discussed this in detail with Mr. Nedzi and felt he was not the one to do this, and suggested that George Shultz, OMB, might be the best White House representative to call on. I passed on to Cook the Director's further suggestion that Cook get in touch with Shultz and Dr. Kissinger to make sure how they wished to handle the problem. STAT

Minton said that there would be a conference to resolve the differences between the House and Senate versions of the bill within a month and he felt the bill would be approved before the next cost-of-living adjustment goes into effect, but that the bill would not be retroactive. 25X1A Mr. Fisher was advised.

MEMORANDUM FOR THE RECORD

25X1C

SUBJECT: Briefing of Chairman Lucien Nedzi, Intelligence Operations Subcommittee, and Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee [REDACTED]

1. Secretary of Defense Laird, under pressure from Chairman Nedzi to report details regarding [REDACTED] asked the Agency to review the situation with Mr. Nedzi. Accordingly, Mr. George Carver, SAVA, and I met with Mr. Nedzi and Mr. Slatinshek yesterday and Mr. Carver briefed Nedzi in detail, covering the entire background of the [REDACTED]

25X1C

2. Nedzi and Slatinshek said they appreciated the briefing, but Nedzi was obviously furious with Defense for having deliberately misled him. He said he would accept, however reluctantly, a statement that the matter was too sensitive for him to be briefed on, but he could not accept being given deliberate false information. Carver tried to explain that DOD officers such as Admiral Epes and Mr. Selden had been put in an impossible position as a result of White House orders, but Nedzi was not entirely satisfied.

3. In conclusion, Carver emphasized to Nedzi the overriding importance of keeping the information given him to himself. Carver pointed out the agonizing difficulties [REDACTED]

25X1C

[REDACTED] Nedzi agreed that if queried he would only say to the press or to his colleagues that he had looked into the matter and concluded that any further comment at this time would serve no useful purpose.

MEMORANDUM FOR THE RECORD

SUBJECT: Second Session with Congressman Nedzi

25X1C

25X1C 1. Background: At Secretary Laird's request and with the DCI's approval, on 24 January 1972 I gave a detailed briefing on [redacted] to Congressman Lucien Nedzi (D., Mich.), Chairman of the Intelligence Subcommittee of the House Armed Services Committee. Also present at that 24 January session were Mr. Maury and Mr. Frank Slatinshek, Chief Counsel of the full Armed Services Committee. (These four were the only persons present. The 24 January session was not attended by any members of Congressman Nedzi's personal staff.)

2. Because Mr. Nedzi was Chairman of the Armed Services Committee's Intelligence Subcommittee, I gave him a full rundown on [redacted]

25X1C

3. Mr. Nedzi listened very attentively. His occasional questions were uniformly perceptive and intelligent. At the end of that 24 January briefing, he expressed warm thanks for it, said he felt he now had a clear grasp of the whole situation and further said that (now) knowing the whole story, he had no quarrel with the way [redacted] had been handled [redacted] 1971. He also said that if any questions were raised by his Congressional

OFFICE OF LEGISLATIVE COUNSEL

Monday - 24 January 1972

1. (Confidential - JMM) Called George Murphy, Joint Committee on Atomic Energy staff, and agreed on 16 February 1972 for the Director's appearance before the Joint Committee, subject to possible unavailability of key Committee members in which case Murphy will renegotiate.

2. (Confidential - JMM) Mrs. Jackson, in the office of Representative James Cleveland (R., N.H.), called regarding a meeting with Mr. Cleveland and Representative Louis Wyman in connection with their separate inquiries to the Agency on [REDACTED] We agreed that we would arrange a meeting to brief Messrs. Wyman and Cleveland jointly upon Cleveland's return tomorrow.

3. (Secret - JGO) Met with Mr. Ralph Preston, House Appropriations Committee staff, who told me that the question of whether the Military Construction Subcommittee, chaired by Representative Robert Sikes (D., Fla.), would be invited to this year's briefing is somewhat up in the air. Although the Military Construction Subcommittee was not invited in advance last year, Representative Sikes prevailed upon Chairman Mahon as the hearing with the Director was starting to allow attendance of the Military Construction Subcommittee. Mr. Preston also noted that although there may well be a replacement for Representative George Andrews on the Defense Subcommittee before the date of the hearing, Chairman Mahon has not taken action to replace him as yet.

4. (Confidential - JGO) Delivered to Miss Bernice Kalinowski, House Armed Services Committee staff, in response to a request from Mr. Slatinshek, Assistant Chief Counsel of the Committee, a looseleaf folder of background materials concerning classification of information and the "Espionage Act" for use by Mr. Blandford, Chief Counsel of the Committee.
